**2019 Annual Report**

# Lessons from 2019

Forty years ago, I went on my first mission trip. Nancy and I had only been married for a few days when we joined a group going to Haiti with Reggie Thomas. It was the first time I had ever been out of the United States. I was young and had a lot to learn about how people lived in other cultures. It was not a pleasant experience for me. I was definitely pushed out of my comfort zone. God was teaching me about poverty, starvation, and spiritual darkness. I also learned a lot about myself.

In 2019 Nancy and I took another mission trip. We went to visit and encourage IDES' ministry partners living in the country of Jordan. We were enjoying the opportunity to meet believers and see interesting places. But then one day everything changed. While touring the ruins of Petra, I suddenly collapsed. For the next month I was in a Jordanian hospital, losing kidney function and not able to walk. Many of you prayed for me during that frightening experience. By the grace of God, I was medically evacuated back to Indiana where I spent more time in hospitals. I am still receiving dialysis treatments and physical therapy, working towards a new normal.

In spite of this distraction, the outreach of IDES continued. As you will see in this report, hundreds of people have been sheltered following natural disasters. Others were fed with meals packed by IDES volunteers. Many have received fresh, clean water from wells provided by IDES. Some who were struggling with sickness received needed medicines and treatment from our mission partners, who also share the gospel message of love and hope! All these gifts are made possible by the generosity of churches and individuals who faithfully support the IDES ministry.

Nancy and I, as well as the IDES' staff and board of directors, are still processing all that we learned from our trip to Jordan and the abrupt changes that took place there. I have gained a more personal understanding of the loneliness, fear, and helplessness people often experience after an unexpected crisis. But I have also experienced the comfort, peace, and hope that come from God's people ministering in Christ's name. God confirmed in my mind and heart the necessity of the mission of IDES! So I invite you to join us in continuing to meet both physical and spiritual needs of suffering people throughout the world in the name of Jesus Christ. May He be glorified as we accelerate Kingdom growth through crisis care!

*All praise to God, the Father of our Lord Jesus Christ. God is our merciful Father and the source of all comfort. He comforts us in all our troubles so that we can comfort others. When they are troubled, we will be able to give them the same comfort God has given us.*  
2 Cor. 1:3,4 NLT
