

Annual Report 2020

**International Disaster
Emergency Service**

It's Time

Any relay race relies on two major components for success: speed and successfully handing off the baton to the next runner. If the baton is dropped the whole team suffers.

The same holds true for an effective ministry succession. Throughout the Bible we have terrific examples of leaders passing the "baton": Moses to Joshua, Elijah to Elisha, Jesus to his disciples, and Paul to Timothy. It is with that mindset I share with you in this Annual Report of the leadership transition taking place at IDES.

In the spring of 2019, I suffered a health emergency while visiting mission partners in Jordan.

Once I safely got home, it was determined I would need to be on dialysis three times a week indefinitely. During the 2019 November Board Meeting, Nancy and I spent time discussing our future with IDES. I asked our directors to begin the search for my successor because I felt it was time for me to retire. I provided the Board with a retirement date of September 3, 2021. This led to IDES' Board going through a year-long succession planning process. At our Board Meeting this past November, the Board shared their decision with the IDES' staff.

The Board and I are pleased to announce David Stine as IDES' next Executive Director. This changeover became effective January 1, 2021. I assumed the role of Executive Director Emeritus and will continue to represent IDES to churches/individuals while serving as an advisor and mentor to David during the next eight months to ensure a smooth transition.

Nancy and I have been greatly blessed to be a part of the history of this outstanding organization.

We have developed eternal relationships with mission partners and financial friends of the ministry. We have a wonderful staff that is deeply committed to the mission of IDES.

My official last day at the IDES' office will be September 3. Nancy and I hope to spend more time with our children and grandchildren. We don't know what God has in store for us, but we will be available to do whatever He wants.

I want to thank everyone who has supported IDES with prayer and financial blessings over the years. Everything that was accomplished is because of you and God's grace. God's blessings be upon you.

Rick Jett
Executive Director Emeritus

Continuing the Legacy

Introducing David Stine, our new Executive Director

David grew up as a missionary kid in Mexico City. He received his undergraduate degree from Ozark Christian College and his Graduate Degree in Organizational Leadership from Lincoln Christian University. He has worked in the Northwest and Southwest of the United States, serving in leadership roles for Christian Children's homes before joining the IDES ministry in 2016 as the Director of Operations. He is married to his beautiful wife, Nicole, and they have two amazing boys, Luke and Logan. David enjoys sports (especially soccer), the outdoors, reading, and spending time with his family.

David shares

"It has been an amazing experience to work at IDES these past five years. I have been blessed to see this organization model integrity in the way it handles donations and compassion with the way it treats and cares for those who are hurting, but above all, everything IDES does is saturated with dependence on God. Since IDES formation in 1973, prayer has been at the center of everything we do. Every proposal for aid is prayed over by our staff and board, and we invite you to come and experience it at our IDES headquarters to see for yourself how God is working in and through this organization.

I am honored to continue the legacy of leadership here at IDES. I am blessed to work with Rick over the next eight months, learning from him and being mentored by him. I am so excited to serve with this team as God uses us to expand His Kingdom as we meet physical and spiritual needs in the US and around the world."
