# GIFT CATALOG

# HOW IT WORKS!

IDES' Gift Catalog is a tangible way for you to provide Help & Hope to people in need all around the world. These items allow our partners to connect with people and share the love of Christ with them. On each page, you will find a sample of gifts from our order selection that is located on the inside back cover. Through your giving, we can reach thousands of people with the Good News of Jesus Christ.

**1.** Choose your gift from one of IDES' 5 Focus Areas

**2.** Pay online or by mail. [ides.org/gift-catalog-portal](https://www.ides.org/gift-catalog-portal)  
355 Park 32 West Dr., Noblesville, IN 46062

**3.** 100% of your donation will go toward your selection

**IDES Coffee with a Cause!** For years, we have supported partners around the world who grow coffee as part of their poverty alleviation efforts--it's a great way to create sustainable jobs, leading to lasting change in poverty-stricken regions. We are now selling this incredible coffee grown directly by our partners. 100% of the proceeds will go straight back into other poverty alleviation projects, so you can enjoy your morning coffee, knowing that you're helping families around the world! Visit [ides.org/coffee](https://www.ides.org/coffee) to order your bag today!

**International Disaster Emergency Service**

355 Park 32 West Dr. Noblesville, IN 46062 • 317.773.4111 • [ides@ides.org](mailto:ides@ides.org) • [www.ides.org](http://www.ides.org)

# EVANGELISM & DISCIPLESHIP

## **E4: Motorbikes - \$1,000**

One of the best tools for evangelists are motorbikes. These allow them to get to remote places in countries like Kenya or India. The motorbikes allow them to travel quickly to share the gospel with unreached people in neighboring villages.

## **E6: Sports Equipment - \$15**

Several of our mission partners are using sports as an outreach to the youth in their communities. Sports are used to teach Biblical principles, team dynamics, and leadership skills that last a lifetime.

## **E1: Bible/New Testaments - \$20/\$10**

It is such a delight and honor when we participate in projects where Bibles are shared. We have witnessed the transformation of entire communities that have access to God's Word. What an incredible way to have an impact on someone's life through the gift of a Bible.

## **E6: Leadership Training/Teaching Materials - \$15**

IDES is passionate about training Christian leaders around the world. This training teaches leadership skills to help them lead their churches with passion, grace, and steadfastness even through the most difficult times like persecution, disasters, and resistance toward the gospel. Your gift will be used to help us train workers for the 21st Century and beyond.

## **GLOBAL IMPACT FUND**

Did you know that all undesignated gifts from individuals, businesses, foundations, Sunday School classes, fellowship groups, etc. are placed in our Global Impact Fund? 100% is used for project expenses for Evangelism, Disaster Response, Hunger Relief, Community Development, and Medical Care.

# DISASTER RESPONSE

## D12: Tarp - \$50

Tarps are a precious commodity. After a major storm, volunteers work quickly using tarps to cover roofs to prevent further water damage inside the house. In developing countries, tarps are used in various ways to help improve living conditions.

## D1: Blanket/Bedding - \$10

When refugees flee during a disaster, most people escape with very limited possessions. This loss can be devastating. Blankets and bedding are vital to help in the short and long-term recovery efforts.

## D8: Storage Shed - \$2,000 or portion \$100/\$500

IDES sheds are built for families to have a safe place to store recovered belongings after a disaster occurs. This program is a tool for the local church to reach out to its own community during a time of need in the name of Jesus Christ.

## D11: Tin Sheeting - \$10

In the developing world, tin sheeting is used for roofing, siding, tables, bedding, and flooring. Because it is lightweight, it is easy to get into rural and jungle areas. The low cost also allows us to build more homes and structures quickly after disasters occur.

Since the 2021 earthquake in Haiti, IDES projects with our mission partners in Haiti, have resulted in building 50 brand new homes. "Living out in the open, given Haiti's current volatile climate, isn't safe. Not only are you open to the elements, but you have no barrier between you and others who wish you harm. One family suffered greatly at the hands of violent men. Despite this assault, they are still a joyful family, who believed that God would rescue them. Their brand-new home is redemption, a blessing, a gift, a picture of God's love and His ability to restore!" - [Partner in Haiti](#)

# HUNGER RELIEF

**H4: 100-pounds of rice - \$40**

**H2: 220 pounds of beans - \$85**

**Harvest of Talents Church**

**Harvest of Talents Food Project**

**G2: Bag of GAP Meals (6 Servings) - \$1.50**

**H1: Cooking Pot - \$15**

**SonFish Bank**

The Food and Agriculture Organization estimates that between 691 million and 783 million people were hungry globally in 2022, effectively erasing progress made since 2015. In addition, food insecurity rose from 25.3% in 2019 to 29.6% in 2022, with severe food insecurity affecting 11.3% of the global population. IDES is dedicated to working with our partners around the world supplying food staples like rice, beans, corn, and our GAP meals. Our Harvest of Talents program held annually at 6 different churches raises funds to supply food year-round for several mission partners. We also have our famous blue SonFish Banks which are a fantastic teaching tool for children in communicating the idea of missions and God's love while helping those who are hungry.

# COMMUNITY DEVELOPMENT

**Dv10: Sewing Machines - \$150**

**Dv4: Chickens - \$8; Dv13: Baby Chicks \$1**

**Dv11: Fishing Boats & Net - \$560 or \$56 portion**

**Dv15: Clean Water Well - \$2,500 or portion - \$25, \$250**

## NEW CLEAN WATER WELL IN WEST AFRICA

Isaiah and his wife Mary have 5 children and live in a town in a country in West Africa. Isaiah is a shepherd and farmer and his wife manages their home. Our mission partners in this region shared the Gospel of Christ in early 2022. Mary, the wife, and mother, was captivated by the stories of Jesus that she listened to on her audio Bible radio. Her husband Isaiah was more reluctant, but he continued to passively listen in the background from time to time.

This family then started to be part of the house church in their village and after a month's time, Mary decided she wanted to give her life to Christ and be baptized. She wanted her husband to join her, but he was not ready. Mary loved God's word and wanted to be obedient to everything Jesus was asking of her. She was baptized and started to pray for her husband.

Then in the summer of 2022, we joined with our partners and provided a well. Mary shared in a recent interview that "The drilling of the well has greatly impacted their lives." They suffered because of a lack of clean water. They suffered because the water was so far away. The closest well was 14 kilometers from their home.

The lack of water caused sickness, depression, and conflict between families and in the village itself. Mary shared that having clean water right next door that was always available has changed every part of her daily life. Her family is healthier and happier. She has more time with her kids and her husband. Some of their conflicts have been resolved because water is so close. As our partners interviewed Mary and her husband Isaiah, she did most of the talking but as they drew the interview to a close, Isaiah began telling our church planting partner how much this well and the new church have impacted his life over the last 6 months. He told them that he was ready to give his life to Jesus and wanted to be baptized right then and there. And Mary said, "My prayers have been answered."

# MEDICAL CARE

**M9: Medical Supplies - \$100**

**M2: Eyeglasses - \$30**

**M6: Medicines for a clinic for 1 month - \$400**

**M9: Medical Equipment - \$100**

We provide medical supplies, equipment, prescription medications, vitamins, and other materials requested by mission partners worldwide. These medicines prove to be an open door to sharing the Gospel. Because of the military coup that took place in 2021 in Myanmar, medicines have become scarce and expensive. The 83 churches in northern Myanmar are in remote areas and were in need of help. IDES partnered with ACM and 13,100 people benefited from the medical kit project. Our partners shared with us that the medical kit program helps their ministry to be more effective. The ancestor worshipers and Naga spirit worshipers have been touched with the love of Christ through the medical kit program. Within two months of receiving the medical kits, a Naga Family, and a Naga young man of the spirit worshipers have come to accept Jesus Christ as Lord and Savior.

**M1 Cleft Lip/Palate Surgery - \$300**

“Children with facial abnormalities like cleft lip and palate are often shunned by their communities with no hope for a productive future. They have no access to quality medical care in their own countries and no resources to pay for the surgical procedures required to correct their deformities.” The grant from IDES offers “free surgical services that restore their features and empower them to return to their communities as welcomed, participating members.” - [Partner in India](#)

Retrieving water from a cleanwater well in Ethiopia.

It is impossible for us humans to go very long without water. We need water to sustain us. Take away water and we literally begin to dehydrate and shrivel up which collapses our entire system. That is why the water projects that we do are so essential to sustaining human life. And not only that. We have seen time and time again that these wells are a testimony of God's love. Your gifts are making a difference!

## NEW STAFF

### SARAH CASSEL

Sarah joined the IDES team in 2023 as the Advancement Assistant. She graduated from Indiana University with a degree in Psychology and minors in International Studies and Nonprofit Management and Leadership. Sarah completed an internship with IDES in 2023 and was hired directly from her internship. She loves getting to travel and witness the incredible stories of Christians around the world.

### PAUL HURST

Paul joined the IDES team in 2023 as our Disaster Response Coordinator. He has already spent hundreds of hours working on disaster sites around the country. Prior to working with IDES, he spent 12 years working in warehouse, logistics, and transportation management, and 22 years self-employed as the owner of a remodel/contractor company. He has been married to his lovely wife Dian for 28 years and has two children. We are so grateful to have him on our team!

### MICHELLE MORMANCE

Michelle joined the IDES team in 2023 as our Bookkeeper. Michelle graduated from Lincoln Christian College with a BS in Business Administration, and worked as a catering director for Chick-fil-A for 13 years. She has recently gotten married, and has 2 girls: ages 19 and 16. She and her girls are in the process of visiting all 50 states! She is very excited about using her gifts here at IDES, and we are so excited to have her!

### RYAN NAYLOR

Ryan joined the IDES team in 2023 as our GAP Coordinator. Ryan earned his BS in Journalism from Ball State University. Prior to coming to IDES, he worked in the residential lawn service industry in both marketing and service. He has been married to his wife Yvetta for 25 years, and they share 3 wonderful children, Alex, Katherine and AnnaBeth. In his free time, he loves watching sports and spending time with his family.

### INTERNATIONAL PROJECT MANAGERS

Our incredible International Project Managers joined the IDES team this past winter. They are a married couple who have spent 40 years in the mission field. Our project managers represent IDES all around the world, visit our international partners, and act as “boots on the ground” during disasters. They are incredibly competent and compassionate individuals and we are thrilled to have them on board.

Joshua has 2 siblings and they all live with their mother who is a widow. They live in a mud and dung hut with a grass roof in Tanzania. Joshua used to be named “Lesordo” a name in Maasai which means “draining” or “of no value” because he was seen to be a burden instead of a blessing. His family has struggled greatly over the years to simply survive. When he was chosen to be a part of IDES feeding program, our partners took his entrance photo on the left. He was a boy who didn’t even know how to smile. After a year of being involved in our feeding program, we were able to get him some new clothes and shoes, and the difference in his demeanor completely changed! The family changed his name to Joshua, “the one who brings God’s deliverance” and is now seen as a blessing to his family.

Focus Areas	Price	Quantity	Total
<b>Disaster Response Items</b>
