# Praying for our Partners

In the **US** and Abroad

May

2024

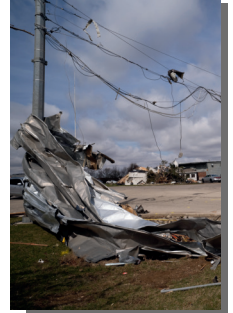

## Ukraine

Due to the ongoing bombing and shelling from the war, a town in Ukraine is in need of a stable water supply. IDES was able to help provide a well for the local church there that will help the community get clean water. Pray for this town that God will use this well to provide both physical and spiritual needs.

## Indiana

IDES partnered with First Church of Christ of Lynn, IN, and Whitewater Christian Church of Richmond, IN to help in Winchester, IN after a tornado hit in March. Pray for the recovery of this town.

## Myanmar

Many in this country face homelessness and extreme poverty due to political unrest. Thanks to our partners in Myanmar, IDES is able to help provide food and support to those on the ground in these homeless camps. Pray that living conditions will improve and for the gospel to bring hope during this time.

## Texas

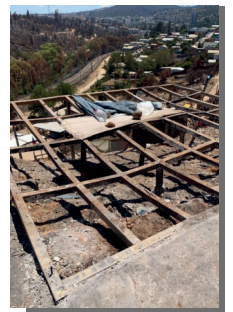

Wildfires struck Canadian, TX affecting 30-40 homes. IDES partnered with First Christian Church in TX to help provide relief to the families. Pray for comfort and hope for the victims of the fires.

## Pakistan

Unfair wages in Pakistan have led to families toiling under difficult work environments. With the help of our partners, we were able to help Christian families get free from horrible job conditions and train them vocationally to provide for their families. Pray for these families to keep the faith and find hope.

## Chile

IDES was able to help several families who had their homes damaged due to the recent wildfires. Pray that the rebuilding process will go well and that these families will find hope in Jesus.
