GIFTS THAT MAGNIFY CHRIST

by Rick Jett, Executive Director

When I put my glasses on I can see things more clearly. Lately I have found that a magnifying glass is also very helpful in reading fine print. In order for us to really see the fine print of the Gospel, we need to enlarge the image. Just as the magnifying glass enlarges images for us to see, the Holy Spirit brings into focus the truth of God's love through followers of Christ.

It is our responsibility during the holiday season (and for that matter, all year long) to magnify the image of Christ, to help people see Him more clearly and know Him better. That's what Paul desired when he encouraged the church in Philippi by writing, "...now as always Christ will be exalted in my body...For me to live is Christ..." (Phil. 1:20, 21). The word "exalt" may be translated "magnify." When we live for Christ, we exalt and magnify Him, reflecting His image to the world around us. Believers should be like telescopes bringing Jesus Christ close to people.

Your gift of a bag of rice will help a hungry child see the Bread of Life. Financing a well for a thirsty village will reveal the Spring of Living Water. The person who receives a Bible will read about the Lamb of God who took away the sins of the world. Each gift in this catalog is a simple, yet significant way to demonstrate God's love and grace to others. As each of these gifts is given in the name of Christ, He is magnified in the eyes of the recipients. You can help IDES bring God's love into focus by giving a gift that magnifies Christ!

Many of the attendees were inspired to share the message they had received with women who could not attend.

DISASTER RESPONSE

On Friday, September 14, 2018, Hurricane Florence made landfall, dumping nearly 18 trillion gallons of water onto the east coast. IDES' response to hurricanes is very strategic. Before the event even occurs, we establish connections with local churches in the areas most likely to be affected. Once the storm passes and the damage has been assessed, IDES deploys our U.S. Disaster coordinators along with supplies (including our sheds). Whether individuals are called to go, give, or pray, IDES is blessed to be able to connect those willing to serve with those who need assistance.

HUNGER RELIEF

Hope for Haiti's Children has been an IDES partner for over five years. IDES has given GAP meals that are packed by volunteers in the U.S. at churches or at our Noblesville headquarters. Hope For Haiti's Children uses these meals to feed hungry children at their orphanages and schools. For most of these children, the meal they receive from IDES will be the only meal they will have all day. A lot of these children also walk long distances from a mountain region just to get to school and eat a meal.
