Many around the world don't have these concerns because they do not have insurance or any medical care available to them at all. But, thanks to you, our donors, 68 graduates from a college in Myanmar were outfitted with kits packed full of medicines, trained in their use &amp; sent home to their own &amp; surrounding villages to bring help, hope &amp; healing in the name of Jesus.</p>			

\*Denotes current IDES projects
