GIFTS THAT MAGNIFY CHRIST

by Rick Jett, Executive Director

When I put my glasses on I can see things more clearly. Lately I have found that a magnifying glass is also very helpful in reading fine print. In order for us to really see the fine print of the Gospel, we need to enlarge the image. Just as the magnifying glass enlarges images for us to see, the Holy Spirit brings into focus the truth of God's love through followers of Christ.

It is our responsibility during the holiday season (and for that matter, all year long) to magnify the image of Christ, to help people see Him more clearly and know Him better. That's what Paul desired when he encouraged the church in Philippi by writing, "...now as always Christ will be exalted in my body...For me to live is Christ..." (Phil. 1:20, 21). The word "exalt" may be translated "magnify." When we live for Christ, we exalt and magnify Him, reflecting His image to the world around us. Believers should be like telescopes bringing Jesus Christ close to people.

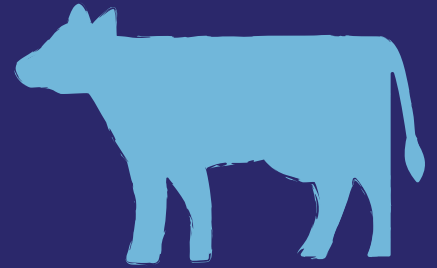

Your gift of a bag of rice will help a hungry child see the Bread of Life. Financing a well for a thirsty village will reveal the Spring of Living Water. The person who receives a Bible will read about the Lamb of God who took away the sins of the world. Each gift in this catalog is a simple, yet significant way to demonstrate God's love and grace to others. As each of these gifts is given in the name of Christ, He is magnified in the eyes of the recipients. You can help IDES bring God's love into focus by giving a gift that magnifies Christ!
