Gift Catalog

2025

How it Works

1. Choose your gift from one of IDES' 3 Focus Areas.

2. Pay online or by mail:

ides.org/gift-catalog-portal

355 Park 32 West Dr., Noblesville, IN 46062

3. 100% of your donation will go toward your selection!

Though our work varies from place to place and project to project, we have found that a handful of items are consistently used and urgently needed. We want to highlight our **Top 10 Most Used Items** from the Gift Catalog. As you look through the following pages, you will see a heart symbol next to each Top 10 item. While all of the items in the Gift Catalog are important and necessary for our work, these 10 items are especially useful. We encourage you to consider making a special gift towards these items to ensure IDES has the resources we need for quick and effective response around the world!

The heart of IDES has always been to bring Help and Hope to suffering people around the world. We come alongside churches and mission partners and IDES Field Workers to not only provide Help in times of need but also convey the incredible life-changing message of Jesus. Our global response falls into three categories - Disaster Response, Development, and Disciple-Making.

Disaster Response: Just in the United States this year we have responded to dozens of tornadoes, several hurricanes, wildfires, and flooding. Internationally, we continue to see refugee crises because of wars, food insecurities due to famine, and major weather events. However, through our disaster response, we have seen people come to Christ because Christians share love and compassion for their fellow human beings in times of crisis.

Development: We continue to place a priority on helping the hurting with sustainable projects. Development is one of the most effective ways of reaching communities with the Gospel and includes Farming God's Way training, clean water projects, livestock, and medical care.

Disciple-Making: Everything we do at IDES is centered around making disciples for Jesus Christ. Whether it's responding to a weather event or teaching how to Farm God's Way we want to share not only Help but also Hope through all our efforts. With the addition of the Rick Jett Leadership Training and the building of Legacy Churches, IDES will continue to follow Matthew 28:18-20 and reach the world for Christ.

Disaster Response

10

H4: Rice (100 lbs.) - \$40

When disaster strikes around the world, food is often the most urgent need. IDES is able to work with our partners to distribute essentials such as rice, corn, cooking oil, and beans. Though it may seem small, items like these lift a huge burden from a family whose goal is simply surviving to the next day.

This past year, IDES worked with partners in Malawi after the country was devastated by a typhoon and then hit with a drought. Thousands of people lost everything, including the gardens they depended on for food, and many people were starving. IDES helped with large-scale food distributions and also shipped three GAP meal containers to Malawi in 2024. Our partner told us, "The people of Malawi were praying for a miracle and when we arrived with food, they expressed how grateful they were and how God had answered their prayer!"

G2: Bag of GAP Meals - \$1.50

H6: Cooking Oil - \$10

10

H2: Beans (220 lbs.) - \$85

10

H5: Family/Single Portion of Staple Foods - \$25/\$5

H3: Corn - \$75

10

D11: Construction Materials - \$50

Because IDES works all over the world, the homes we help repair or replace after a disaster vary significantly. By giving towards construction materials, you ensure that IDES has the materials we need to respond to disasters from the US to Myanmar to Ukraine.

D12: Tarp - \$20

Tarps are a precious commodity. After a major storm, volunteers quickly cover roofs with tarps to prevent further water damage inside the house. In developing countries, tarps are used in various ways to help improve living conditions.

D1: Blanket/Bedding - \$10

When refugees flee during conflict or when homes are destroyed by natural disasters, most people escape with very limited possessions. This loss is devastating. Blankets and bedding are vital to provide a source of comfort and warmth in challenging situations.

D8: Storage Sheds - \$2K/\$500/\$100

Sheds provide a safe, dry place for homeowners to store salvaged belongings while their homes are being rebuilt or repaired. Volunteers from local churches use this opportunity to reach out to their community in the name of Jesus Christ during a time of need.

Development

M1: Cleft Lip/Palate Surgery - \$300

M3: Medications

(Antimalaria, Antibiotics, HIV) - \$25

Access to medical care is a luxury in the developing world. IDES works with our partners to provide medicines, medical kits, and other items to help improve the health of those we serve.

In June of 2024, IDES held an Integral Disciple-Making training in Thailand, where 220 ministry leaders from Thailand and Myanmar were provided with medical kits and basic medical training. These leaders, many of them serving refugees and IDPs from the war-torn country of Myanmar, can now provide basic medical care while ministering to hurting people.

Dv15: Clean Water Well - \$2,500/\$250/\$25

Clean water transforms the lives and health of entire villages.

Dv7: Goat - \$60

Goats provide milk, meat, and a source of income to help families support themselves.

Dv10: Sewing Machines - \$150

Sewing machines and the training that accompanies them provide a source of income for women and their families.

Dv4: Chicken - \$8

Chickens provide eggs, meat, and income for families.

Dv22: Farming God's Way (FGW) - \$100

is a Biblical approach to farming that has been proven to increase yields and often transforms entire communities. While IDES does help with emergency food relief, it is our hope that communities will be able to provide food for themselves. We hold FGW trainings in countries where chronic hunger is a widespread issue.

Margaret recently attended a FGW training in Kenya. Margaret, her husband, and their 5 children have about an acre of land but have been unsuccessful in growing food, meaning their family often goes hungry. Margaret learned new farming principles that will help increase their yield and reduce their dependence on aid from others. By giving towards Farming God's Way training, you can help others like Margaret learn invaluable skills to provide for their families and their communities.

Disciple Making

E8: Legacy Church - \$15K/\$1,500/\$150

Throughout IDES' history of providing Help and Hope, we have seen on many occasions that churches are planted as a result of our work. In 2023, IDES cast a vision to celebrate our 50th anniversary by starting a campaign to plant 50 new churches, all in connection with previous IDES projects. Now called the Legacy Church Campaign, we are in the process of planting 16 churches in 11 countries so far. For an average of \$15,000 per church, we can ensure that a church plant continues to reach its community with the Gospel long after our physical work is done. Whether you can help with an entire Legacy Church or a portion of one, your gift will impact the lives of many.

E4: Motorbike for Evangelists - \$1,000/\$100

One of the best tools for evangelists are motorbikes. These allow them to get to remote places in countries like Kenya or India. The motorbikes allow them to travel quickly to share the gospel with unreached people in neighboring villages.

E7: Leadership Training/Teaching Materials - \$50

IDES is passionate about training Christian leaders around the world. This training teaches leadership skills to help them lead their churches with passion, grace, and steadfastness even through the most difficult times like persecution, disasters, and resistance toward the Gospel. Your gift will be used to help us train workers for the 21st Century and beyond.

E6: Athletic Outreach Equipment - \$15

Several of our mission partners are using sports as an outreach to the youth in their communities. Sports are used to teach Biblical principles, team dynamics, and leadership skills that last a lifetime.

Did you know?

Over the past year, IDES has completed 50 wells or clean water projects throughout the world! For these 50 communities and the 57,000+ people that live in them, their newfound access to clean water has transformed their lives. Their health has improved, they have more time for school or for work, and many have been introduced to Jesus. Thank you for your generosity that has enabled IDES and our partners to provide Help and Hope to many people through clean water.

Hurricanes Helene & Milton Response:

We are so grateful for the incredible outpouring of volunteers and donations on behalf of our response caused by these devastating hurricanes. IDES has responded to several locations in the states of North Carolina, Tennessee, and Florida. Our primary relief efforts have included clearing trees and damage, tarping roofs, and boarding up homes as well as cut-outs and muck-outs. We are helping churches with flooding and wind damage to their buildings so that they can continue to serve their communities with the love of Christ. To learn more on how you can get involved please visit our website at ides.org.
