

International Disaster Emergency Service

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
<p>Harvest for Christ Foundation, Inc. Philippines, held 2 free clinics to provide medical/dental/optical care for low-income families. Many had lost loved ones to preventable causes such as asthma, pneumonia, diabetes, malnutrition, common infections, etc., because they didn't have the funds or availability to get proper care. Missionaries feel the best way to show the love of Jesus is face to face with the needy & the sick.
